| Is Anlin's warranty a FULL Lifetime Warranty? | YES! | If you are the original purchaser, your warranty is in effect for as long as you live in your home. Anlin will repair or replace covered products that are defective in materials or workmanship as long as they have been properly installed and maintained. |
| Are parts, shipping and labor free to me? | YES! | Anlin will cover ALL COSTS, INCLUDING PARTS, SHIPPING AND LABOR to repair or replace covered products. You won't need to pay a cent. There are no hidden costs. |
| Will Anlin replace my glass if I break it accidentally? | YES! | When you purchase and install covered Anlin products, we are happy to extend complimentary glass replacement for accidental breakage for as long as you live in your home. | Is the warranty in effect automatically? | YES! | Once your Anlin purchase and installation is complete, your warranty is in effect. You don't have to submit anything to Anlin. It is a good idea to enter your order information on the front of the warranty certificate and put it in a file so you can reference it should you need to obtain service. But you will receive service for covered claims with or without your certificate. |

| Is it easy to transfer the warranty to the new owner if I sell my home? | YES! | The warranty automatically remains in effect for the new owner and any subsequent owners for a period of 15 years from the original date of product installation on parts and labor, and 10 years on glass replacement. Neither you nor the new owner needs to submit any documentation or transfer fees. In fact, if you are selling your home, the quality of your Anlin windows and the warranty behind them might become an important benefit to mention to prospective buyers! |
| Does Anlin give me options? | YES! | If Anlin or its representative determines that repairing the product isn't feasible or cannot be done in a timely manner, you may choose to have Anlin replace the defective product or refund your original purchase price. |
